North Primary School and Nursery  
A Town Centre School with a Strong Community Ethos

March 2016  
Issue 3

## Let's make 2016 a record-breaking year!

The whole school has shown their support today for the team entering the half marathon on Sunday, here they are in assembly giving a huge cheer for the runners! Thank you to everyone for their non-uniform day donations. Year 6's will be in the playground again after school today with collection buckets.

The event is a great opportunity to share one of our favourite photo's from training last year!

This year Mr Johns is taking a break from running and will be one of the 25 staff and governors who will be keeping the event safe, as marshals along the route.

We wish everyone involved a fantastic event on Sunday, please sponsor them, look for them in the race, cheer them on and if you take any great photos we'd love to see them!

## Please support our amazing team of runners!
