North Primary School and Nursery
A Town Centre School with a Strong Community Ethos

“Last call for flight 345 to India, please make your way to the check-in desk!”

These were the words that KS1 heard on Wednesday morning as we all went to our very own North Airport. The children had their passports at the ready with some very unique photographs. On arrival at the airport the children handed over their passports to the check-in staff where they were stamped and then given their boarding passes. The children then made their way to security with their luggage where it was x-rayed and they themselves were scanned. There was even a sniffer dog on hand! Then the children made their way to the departure lounge to relax before boarding the flight. Once the announcements were made the children boarded the plane, stowed away their luggage and waited patiently for take off.

We were treated to a very special safety video with live demonstrations from the flight attendants. Before we knew it we were taking off and cruising over Europe heading for our destination, India. “This is so awesome,” said Juliette. “I felt sick after that flight!” said Rupert. “Are we in an Indian school now?” asked Ramona.

This activity was to launch our topic for this term of ‘Stories Around the World’. Next week we will start to learn a story from India and find out what it would be like to visit this country.

Mrs Catchpole reporting

It has been lovely to welcome the children back and hear about their busy holidays. Many have been busy with their home learning too. In Friday assembly Selvina showed off a wonderful holiday photo diary and Charlotte showed us her Egyptian Pyramid made out of sugar cubes.
