## Truly Inspirational

COLCHESTER  
HALF MARATHON

The weather was kind and the good people of Colchester lined the route to cheer and encourage 4000 runners of all ages to complete the 2017 Half Marathon. For the fourth year now North has made a great contribution to this event providing volunteer marshalls and a team of runners. All our runners can be proud of their achievements. The highs and lows of the event are captured in the two photos of Mrs. Catchpole, showing the children that true success and doing your best is achieved through hard work. Thank you to everyone who has sponsored the runners or got friends or colleagues to do the same. It is not too late. Put this Newsline on your work noticeboard or email it to friends. 'My Donate' remains open until July.

Here are the names of all our runners:

Mark Armitage, Ania Moroz, Lisa Catchpole, Christopher Rookyard,  
Claire Abraham, Louis Jennings, Kristine Pundure, Kevin Mooney, Agnita Sparnina, Mark Farmer,  
Alan Price, Scott Parker, Gavin Francis, Tom Sancassani, Matthew Barnard and Ben Turnbull.
