North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

October 2017  
Issue 4

## Important Date for your Diary

Date: Thursday 7<sup>th</sup> December

Time: 7.30-9pm

### E-Safety Parent Meeting

You will remember from an earlier Newsline that we will be holding a meeting for parents to help navigate the minefield that is modern communication technology. Well I am delighted to inform you that local MP Will Quince was in the process of organising such an event and it will be held at North School.

There will be presentations by Parent Zone and the Essex Police Cyber Crime Unit which will cover:

- Online risk – looking at the risks to children and what makes some online spaces riskier than others;
- Online extremism and radicalisation – how it happens and what parents can do to respond;
- Confident digital parenting - encouraging parents to take their offline parenting into the online world.

We have 60 tickets reserved for our parents which you will be able to book at the school office from October 16th. For those parents who need help with childcare there will be a free film night. These places must be reserved using the booking form. Refreshments will be available to the children at a very reasonable price. This is likely to be a very popular event. Don't miss out.

## Harvest Festival Friday 20th October 2017

Help children and their families  
have a fresh beginning.

They would be so grateful for  
your gifts of

Toys

Games

Books

*Thank you*

## Development Sport

Last Wednesday we played our first netball match of the season against Lexden. Our netball club has grown this year and we have 22 children signed up for the Monday afterschool club. A number of the children are playing the game for the first time and are therefore novices. The team played with enthusiasm and commitment, learning rules and positions as they went along. They showed great determination but unfortunately lost to a more experienced side. Well done to all the team and I look forward to seeing them develop over the next year.

**Mrs Eves reporting**

## A Great Night Out

### The Catwalk Comes to North!

What better way to spend a Friday evening than relaxing with a glass of fizz whilst enjoying live music and dance, and watching a fashion show. As you can see from the poster (right) there will be so much more to enjoy. Chocodolly is parent Carli Turner's business. You will be able to find out more about this event at the school disco. She will have a stall in the parents' room and you will be able to buy your ticket there.

*A Vintage Affair  
To Remember!*
