Attendance Policy

North Primary School and Nursery is committed to providing a full and efficient education for all its pupils. We believe that if pupils are to benefit from education, good attendance and punctuality is crucial. As a School we will do all we can to ensure maximum attendance for all pupils. Any problems that impede full attendance will be identified and addressed as quickly as possible.

Our school will give a high priority to conveying to parents and pupils the importance of regular and punctual attendance. We recognise that parents have a vital role to play and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there are concerns about attendance.

If there are problems which affect a pupil's attendance we will investigate, identify and strive in partnership with parents and pupils to resolve those problems as quickly and efficiently as possible.

The Context

Ofsted, 31st October 2017

“Leaders promote a culture of care, and staff are vigilant about pupils’ welfare and safety. You (the headteacher) as the designated lead for safeguarding, ensure that any issues of safety are followed up effectively and you maintain good oversight of any pupil whose well-being or welfare raises any concerns. In addition, you and other staff follow up pupils whose attendance is low to make sure that this is not due to issues of safety or safeguarding.”

“Pupils are safe and happy at school. They are polite and show respect not only to adults but also to one another. Pupils and staff are proud of their school and the work they do together.”

“The pupil premium funding is used effectively to reach out to parents and families in which pupils are not attending school regularly enough or are persistently late. The school goes out of its way to improve attendance levels, not just of disadvantaged pupils but also of those who have special educational needs. Consequently, you have achieved key successes in turning around poor attendance. Attendance levels are improving well and persistent absence is falling. A very small number of parents, however, are still not making sure that their children attend regularly or on time.”

“They continue to work with parents so that persistent absence or lateness is reduced further.”

Rights and Responsibilities: school, parents, pupils

The School

Whatever the weather, staff will do everything in their power to ensure the school is open every day and with full staff attendance.

Every day is important at North – lessons are planned for every week and every day of the school year. The end of half-terms and terms are also important days for the school community.

We expect pupils to attend school regularly, on time, properly equipped and ready to learn.

We will encourage good attendance and will communicate with parents as soon as possible if there is a problem with attendance or punctuality.

We will work in partnership with parents and pupils to resolve issues, which affect attendance or punctuality as quickly as possible.

We will include in reports to parents on achievement, pupil's attendance annually.

The school has a legal duty to publish its absence figures to parents.

Parents

Parents are responsible for ensuring their child(ren) regularly and punctually attend school, adequately dressed and ready to learn.

Parents are responsible for immediately informing the school of the reason for any absence by telephone call on the first morning of any absence.

If attendance problems do develop, the school expects parents to work actively with school staff to solve them.

The pupil

Pupils will ensure that they attend school regularly and on time.

Pupils can expect to receive assistance following periods of absence in order to catch up.

Every Family is expected to sign the Home School Accord upon starting school. This document clearly sets out the rights and responsibilities of all staff, parents and pupils.

Registration

A manual registration system is used.

Manual registers must be marked in ink and where an alteration is necessary this must be clearly identified showing both the original entry and change. Correction fluid must not be used.

Registers will be returned to the school office at the end of the registration period for safety and will be secured but accessible in case of an emergency.

All notes from parents regarding a pupil's absence will be stored on the pupil's file.

School will complete accurate registers at the beginning of each morning and afternoon session within 10 minutes of the start of the sessions.

Morning Registration begins at 8.55am every morning. Children are allowed entry into school at 8.45am. **Registers are closed at 9.10am.**

Afternoon registration times vary by age group.

Reception	1.00pm
Year 1	1.10pm
Year 2	1.25pm
Year 3-6	1.40pm

Registers will be closed 10 minutes after these afternoon start times.

If a pupil arrives after the junior and infant entrances have closed, they should report to reception to be entered into the late record book.

Pupils arriving after the register has closed, without an acceptable reason, will be marked as having an unauthorised absence for that session.

Lateness

Poor punctuality is not acceptable. If a child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence. Good time-keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

The register is a legal document and must be marked accurately, recording pupils' attendance or absence and in the latter case if authorised or unauthorised, using the approved DfE codes.

A certified extract of the register can be used as evidence in legal proceedings against parents for failing to ensure their child's regular attendance or in seeking an Education Supervision Order in respect of a pupil.

Registers will be kept for 3 years following completion at the end of the academic school year.

Understanding Types of Absence

Every half-day absence from school has to be classified by the school (not by the parent/carer), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason like illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. Unauthorised absence includes:

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn.
- absences which have never been properly explained
- children who arrive at school too late to get a mark on the attendance register
- shopping trips
- looking after other children or children accompanying siblings or parents to medical appointments
- their own or family birthdays
- holidays taken during term time without leave- 5 days unauthorised absence will lead to a penalty notice being triggered by the Local Authority
- day trips
- other leave of absence in term time which has not been agreed

School Attendance and the Law

There is no longer any entitlement in law for pupils to take time off during the term to go on holiday. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school".

The Education (Pupil Registration) (England) Regulations 2006 were amended in September 2013. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances".

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher may authorise such a request and all applications for a leave of absence must be made in writing on the prescribed form provided by the school. Where a parent removes a child when the application for leave was refused or where no application was made to the school, the issue of a penalty notice may be requested by the school.

Exceptional circumstances' will be interpreted as:

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time. The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time.

We will not agree leave during term time:

- at any time in September. This is very important as your child needs to settle into their new class as quickly as possible.
- for Year 6, from the start of the summer term until after SATS have finished in mid-May.
- when a pupil's attendance record already includes any level of unauthorised absence or they have already been granted authorised leave within that academic year.

Circumstances in which a penalty notice may be issued

The following paragraph has been taken from the Essex Code of Conduct document (which is included in full as Appendix C).

Penalty Notices may be issued where there has been at least 10 sessions of unauthorized absence during the previous 10 school weeks. This includes unauthorised late arrivals. In addition penalty notices may also be issued if there have been at least 6 consecutive sessions of unauthorised absence during the first two weeks of September due to a term time holiday.

Procedure for following up absence or lateness

It is the responsibility of the parent/carer to contact the school on the first morning of the child's absence. Office staff complete register checks every day. A phone call will be made in the event of unexplained absence.

If phone contact has not been made and a written explanation is not provided then a letter will be sent home (absence letter 1, Appendix A)

If the above actions do not elicit an explanation, a further letter will be sent (absence letter 2, Appendix B) to the parents/carers.

If this second letter does not elicit an explanation the absence will be recorded as unauthorised.

Where the school has concerns about a particular period of absence or a pattern of absence a meeting with the parent/carers will be called by the Headteacher. If this does not resolve the matter a formal referral will be made to the, *Missing Education and Child Employment Service* and a formal intervention planned.

If the pupil is returning to school after an absence of longer than two weeks, in exceptional circumstances there will be provision to allow the pupil to ease back into the school system. In the event of a pupil returning after a long term absence then an individual reintegration programme (IRP) will be implemented. The IRP will include all members of the school staff and will be designed to be as supportive of the pupil as possible.

Where a pupil is persistently late the school will write to the parent/carer inviting them to a school based meeting.

It may be necessary for the school or Missing Education and Child Employment Service Officer to ask the parent/carer to provide the school with written evidence of reason for absence e.g.

- ◆ Appointment cards/letters
- ◆ Medical certificate
- ◆ Letter from GP

Persistent Absenteeism (PA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level will cause considerable damage to any child's education and we need a parent/carer's fullest support and co-operation to tackle this.

We monitor all absence, and the reasons that are given, thoroughly. If a child is seen to have reached the PA mark or is at risk of moving towards that mark we will inform the parent/carer. PA pupils are tracked and monitored carefully. We also combine this with academic tracking where absence affects attainment.

This policy will be reviewed to its effective implementation by the Curriculum Committee on an annual basis and updated as appropriate.
