North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

December 2018
Issue 5

The Christmas Show season finished with the Year 5 and 6 Evening of Carols on the 18th. The audience, packed into the junior hall were given a real treat. The evening was educational, entertaining, moving and spiritually uplifting. As always, people generously donated to East Anglian Children's Hospice. Through the course of December, we have raised an amazing £853.51 for EACH. Matilda Francis, in Year 5, has also started her own fundraising page for EACH to help her good friend Abigail. She has already raised over £1500. Please visit <https://www.justgiving.com/fundraising/matildafrancis> to find out more. [Photo courtesy of Simon Williams.]
