The Big Garden Project - Together We Grow

Year One children are starting an exciting new project this term. They will be working with the 'Together We Grow' Community Interest Company to learn about where their food comes from and about how to stay healthy. As an exciting start to the project, over the next couple of weeks the children will be visiting the Community Garden in Highwoods Country Park to learn all about the plants they grow there. Back at school they will be using what they have learned to grow fruit and vegetables in our school garden. Wayne Setford, the founder of the company (pictured below right), and a group of volunteers, have already made an amazing start on redeveloping the garden - creating light by removing overhanging trees, building compost bins and digging trenches ready to take a new poly tunnel. We are really looking forward to this project and would like to say a huge thank you to Wayne and the volunteers.

SEN Tenpin Bowling Event

On Friday 26th April North School was invited to take 12 children to attend a special Tenpin Bowling event. It was held as part of the Panathlon Challenge which is specifically aimed at children with SEN. We left school at 10.30 and walked through Castle Park to Leisureworld. There were 12 other schools attending with over 100 children involved. They played a game of bowling and then had their lunch before the presentations. Each pupil was awarded a medal and certificate for their achievement. It was a fantastic event and all the children thoroughly enjoyed it with plenty of smiles throughout the morning. Thank you to all the staff for their help in taking the children to this event.
