## Eleven Bowled Over at TenPin

On Monday 14th October a group of 11 children walked to Leisure World to participate in a primary ten pin bowling event against 7 other local schools. The children were divided into two teams and played 1 game, trying to score as many points as they could for the team. All of the children competed to the best of their ability, with Dolly, Kane, Jayden and Olly all scoring Spares and Lukas scoring a Strike. Olly went on to become the highest scorer of the event with a grand total of 107 points. The children really enjoyed this event and were great ambassadors of the school. Thank you to Mrs Zoltan, Mrs Farthing and Mrs Hewes for their help on the day. The children were given really big medals on the day and were presented with certificates in assembly on the 18th. ## SCHOOL COUNCIL BUSINESS

The School council has held a few meetings now which have been expertly chaired by Jessica.

They have agreed on a few project areas.

**Improving playtimes.** They have asked their classes to come up with a playground rules charter just like they have in class. They have also asked for suggestions for games to give children more ideas to use their time positively.

They want **the school to be more eco-friendly**. They want the school to recycle more than we currently do. Treasurer Kacper has researched purchasing new bins. The NSA has asked them for their views on how to make Discos more eco-friendly - for example, what would they like to buy that does not need single-use plastic?

**Healthy Eating.** Last year the governors asked the school council for their thoughts on snack at playtimes. Infants get free fruit daily but juniors do not. Councillors found out what Bishop William Ward do. Councillors will continue to talk to their classes about this. The idea of a tuck shop has been proposed. Councillors thought it might be a good idea to ask parents about this as they would be the ones paying for it. Look out for councillors armed with clipboards asking questions!

So lots to get their teeth into this year. I am sure they have not bitten off more than they can chew.

## FIRST TEA PARTY OF THE YEAR

These children spent the afternoon of Friday 18th with their parents at a tea party. They were nominated by their classteachers for their fantastic attitude to learning and their commitment to their class and school too. They had a great time.
