## North Harvest Appeal

In 2018 the RNLI cost £163.5M to run  
All the money was raised via donations  
from generous supporters like yourselves.

Thank  
You

Some of our  
Activities

Do you know how much it costs to build a RNLI life-boat?

Do you know how much a volunteer's waterproof clothing costs?

Do you know how many people are rescued, on average, every day of the year? Ask your children they know. How do they know?

Because Lesley told them.

This year's harvest was a very special event. Lesley Corina, from the RNLI was our Guest of Honour Her speech of thanks was superb. She explained to the children what the RNLI do and what they need their money for. It is quite amazing how much money they need every year.

The children's jars were arranged to spell LIFEBOAT. There was poetry from Year 6, Miss Moroz played her guitar to accompany the children singing Big, Red Combine Harvester. The choir sang absolutely beautifully. Jessica read a prayer thanking those who daily risk their lives to help others. And we finished with a rousing rendition of Harvest Rock'n'Roll.

Before leaving, Lesley popped into the Nursery to collect the money they had collected in a fisherman's welly! She told all the children they should visit a lifeboat station and invite the RNLI to school again to talk about water safety.

## Connors' Crusade

Connor has started to collect children's crisp packets. He has found out that if he gives these to Enform (based in Church Walk) and Guide Dogs for the Blind they can send these off for recycling and make money for their charities. Well done Connor. In the next issue there will be more information about this.

**CXXV Birthday Party.** Every child should have shown their invitation to you by now( which includes you and the rest of your families too of course). Look out for more details after the holiday.
