## Attendance Policy

North Primary School and Nursery is committed to providing a full and efficient education for all its pupils. We believe that if pupils are to benefit from such an education, good attendance and punctuality is crucial. As a School we will do all we can to ensure maximum attendance for all pupils. Any issues that impede full attendance will be identified and addressed as quickly as possible.

Our school will give a high priority to conveying to parents and pupils the importance of regular and punctual attendance. We recognise that parents have a vital role to play in ensuring regular and punctual attendance is achieved and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there are concerns about attendance.

If there are issues which affect a pupil's attendance we will investigate, identify and strive in partnership with parents and pupils to resolve those issues as quickly and efficiently as possible.

### **The Context Ofsted, 31<sup>st</sup> October 2017**

“Leaders promote a culture of care, and staff are vigilant about pupils’ welfare and safety. You (the headteacher) as the designated lead for safeguarding, ensure that any issues of safety are followed up effectively and you maintain good oversight of any pupil whose well-being or welfare raises any concerns. In addition, you and other staff follow up pupils whose attendance is low to make sure that this is not due to issues of safety or safeguarding.”

“Pupils are safe and happy at school. They are polite and show respect not only to adults but also to one another. Pupils and staff are proud of their school and the work they do together.”

“The pupil premium funding is used effectively to reach out to parents and families in which pupils are not attending school regularly enough or are persistently late. The school goes out of its way to improve attendance levels, not just of disadvantaged pupils but also of those who have special educational needs. Consequently, you have achieved key successes in turning around poor attendance. Attendance levels are improving well and persistent absence is falling. A very small number of parents, however, are still not making sure that their children attend regularly or on time.”

“They continue to work with parents so that persistent absence or lateness is reduced further.”

## **Rights and Responsibilities: school, parents, pupils**

### The School

Whatever the weather, staff will do everything in their power to ensure the school is open every day and with full staff attendance.

Every day is important at North – lessons are planned for every week and every day of the school year. This also applies to the end of half-terms and terms which are equally important days for the school community.

We expect pupils to attend school each time the school is open, on time, properly equipped and ready to learn.

We will encourage good attendance and will communicate with parents as soon as possible if there is a concern regarding attendance or punctuality.

We will work in partnership with parents and pupils to resolve issues, which affect attendance or punctuality as quickly as possible.

We will include information on pupil's attendance in annual reports to parents on achievement.

The school has a legal duty to publish its absence figures to parents.

### Parents

Parents are responsible for ensuring their child(ren) regularly and punctually attend school, adequately dressed and ready to learn.

Parents are responsible for immediately informing the school on the first morning of any absence by telephone, detailing the reason for that absence.

If attendance issues do develop, the school expects parents to work actively with school staff to resolve them.

### The pupil

Pupils will ensure that they attend school regularly and on time.

Pupils can expect to receive assistance following periods of absence in order to catch up with school work.

**Every Family is expected to sign the Home School Accord upon starting school. This document clearly sets out the rights and responsibilities of all staff, parents and pupils.**

### **Registration**

A manual registration system is used at North.

Manual registers must be marked in ink and where an alteration is necessary this must be clearly identified showing both the original entry and change. Correction fluid must not be used.

Registers will be returned to the school office at the end of the registration period for safety where they will be secured but remain accessible in case of an emergency.

All notes from parents regarding a pupil's absence will be stored on the pupil's file.

School will complete accurate registers at the beginning of each morning and afternoon session within 10 minutes of the start of the sessions.

Morning Registration begins at 8.55am every morning. Children are allowed entry into school at 8.45am. Registers are closed at 9.10am.

Afternoon registration times vary by age group.

Reception	1.00pm
Year 1	1.10pm
Year 2	1.25pm
Year 3-6	1.40pm

Registers will be closed 10 minutes after these afternoon start times.

If a pupil arrives after the junior and infant entrances have closed, they are required to report to reception to be entered into the late record book.

Pupils arriving without an acceptable reason after the register has closed will be marked as having an unauthorised absence for that session.

### **Lateness**

Poor punctuality is not acceptable. If a child misses the start of the day they can miss work and do not spend valuable time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons. This can be embarrassing for the child and can also encourage absence. Good time-keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

The register is a legal document and must be marked accurately, recording pupils' attendance or absence and in the latter case if that absence is authorised or unauthorised, using the approved and appropriate DfE codes.

If required a certified extract of the register can be produced as evidence in legal proceedings against parents for failing to ensure their child's regular attendance or in seeking an Education Supervision Order in respect of a pupil.

Registers will be kept for three years following completion at the end of the academic school year.

### **Understanding Types of Absence**

Every half-day absence from school has to be classified by the school (not by the parent/carer), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

**Authorised absences** are mornings or afternoons away from school for a good reason like illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time (although you may be asked to provide evidence of the appointment such as an appointment card or letter before this can be authorised), emergencies or any other unavoidable cause.

**Unauthorised absences** are those which the school does not consider reasonable and for which no consent has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings which may include issuing each parent with a Penalty Notice for £120, reduced to £60 if paid within 21 days or referring the matter to the Magistrates Court whereby each parent may receive a fine up to £2,500 and/or up to 3 months in prison. If you are found guilty in court you will receive a criminal conviction.

Unauthorised absence includes:

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn.
- absences which have never been properly explained.
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes however is recorded as an absence for the session.
- shopping trips.
- looking after other children or children accompanying siblings or other children or parents to medical appointments.
- their own or other family member's birthdays.
- holidays taken during term time without consent - five days unauthorised absence will lead to a Penalty Notice being triggered by the Local Authority.
- holidays taken during term time without leave, not deemed 'for exceptional purposes' by the headteacher, may result in school applying to the Local Authority to issue a Penalty Notice or if you have previously been issued a Penalty Notice, the school may request a direct prosecution by the local authority.
- day trips.
- other leave of absence in term time which has not been agreed.

#### **School Attendance and the Law**

**There is no longer any entitlement in law for pupils to take time off during the term to go on holiday.** In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school".

The Education (Pupil Registration) (England) Regulations 2006 were amended in September 2013. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances".

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher may authorise such a request and all applications for a leave of absence must be made in writing on the prescribed form provided by the school. Where a parent removes a child when the application for leave was refused or where no application was made to the school, the issue of a Penalty Notice may be requested by the school.

#### **Exceptional circumstances' will be interpreted as:**

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time. The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time.

#### **We will not agree leave during term time:**

- at any time in September. This is very important as your child needs to settle into their new class at the beginning of the new school year as quickly as possible.

- for Year 6, from the start of the summer term until after SATS have finished in mid-May.
- when a pupil's attendance record already includes any level of unauthorised absence or they have already been granted authorised leave within that academic year.

### **Procedure for following up absence or lateness**

It is the responsibility of the parent/carer to contact the school on the first morning of the child's absence. Office staff complete register checks every day. A telephone call will be made to the parents/carer in the event of unexplained absence.

If telephone contact has not been made and a written explanation is not provided then a letter will be sent home (absence letter 1, Appendix A)

If the above actions do not elicit an explanation, a further letter will be sent (absence letter 2, Appendix B) to the parents/carers.

If this second letter does not elicit an explanation the absence will be recorded as unauthorised.

Where the school has concerns about a particular period of absence or a pattern of absence a meeting with the parent/carers will be called by the Headteacher. If this does not resolve the matter a formal referral will be made to the Local Authority.

If the pupil is returning to school after an absence of longer than two weeks, in exceptional circumstances there will be provision to allow the pupil to ease back into the school system. In the event of a pupil returning after a longterm absence then an individual reintegration programme (IRP) will be implemented. The IRP will include all members of the school staff and will be designed to be as supportive of the pupil as possible.

Where a pupil is persistently late the school will write to the parent/carer inviting them to a school-based meeting.

It may be necessary for the school or Local Authority to ask the parent/carer to provide the school with written evidence of reason for absence e.g.

- ◆ Appointment cards/letters
- ◆ Medical certificate
- ◆ Letter from GP

### **Persistent Absenteeism (PA)**

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level will cause considerable damage to any child's education and we need the fullest support and co-operation of a parent/carer to tackle this.

We monitor all absence, and the reasons that are given, thoroughly. If a child is seen to have reached the PA mark or is considered to be at risk of moving towards that mark we will inform the parent/carer. PA pupils are tracked and monitored carefully. If attendance remains a concern, a school-based meeting will be held and an action plan will be discussed. This may include: allocation of additional support through the School Nurse, Family Support Worker, Local Authority, Family Solutions or Social Care. We also combine this with academic tracking where absence affects attainment.

If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Annex A for the Essex Code of Conduct), prosecution in the Magistrates Court or the application of an Education Supervision Order, designed to strengthen parental responsibilities and ensure improved attendance.

### **Deletion from Roll**

For any pupil leaving North Primary School and Nursery, other than at the end of Year 6, parents/carers are required to complete a 'Leaving School Form for Parents' which can be obtained from the school office. This provides school with the following information: Child's name, date of birth, class, current address, reason and date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know and safeguard the whereabouts of all of our pupils.

It is crucial that parents keep school updated with current addresses and contact details for key family members in case of emergency.

### **Summary**

The school has a legal duty to publish its absence figures to parents and to promote attendance.

Equally, parents have a duty to make sure that their children attend school, on time, every day.

All school staff and the Governing Body are committed to working with parents and pupils as the best way to ensure as high a level of attendance as possible.

**This policy will be reviewed to its effective implementation by the Curriculum Committee on an annual basis and updated as appropriate.**
