The Great Big Art Exhibition

Take part in the largest exhibition ever staged!

While the doors to our art galleries and museums are shut, let's use our front windows, balconies, gardens and roofs to celebrate the creativity and resolve of the nation, as we continue through the COVID crisis.

Firstsite, supported by the Plus Tate network, Arts Council England and a selection of National Museums, is leading 'The Great Big Art Exhibition' – and everybody is invited to take part.

Visit the website - <https://firstsite.uk/> and download your starter pack.

**In Lockdown 1 NHS rainbows brightened up our houses.
In Lockdown 3 let's turn every street into an art gallery.**
