## HOME LEARNERS OF THE WEEK GALLERY

Aleks, Alison, Analia, Liara, Lucy, Luis, Finlay and Max

### Governor Corner

It has been a tricky half term with the Covid 19 virus still having a huge impact on all our lives. I think most of us were hoping that by now, and following the success of the Autumn term, things would be getting back to some sort of normality. Governors have been working in the background of school life, and we would like to thank you all very much for your continued support of the school. We have seen some excellent examples of home learning, and appreciate how difficult things have been balancing work and home school. I am sure you will join with us in thanking the staff for all their tireless hard work and input to keep school bubbles and home learning running as smoothly as possible. The community spirit of North School remains strong. We obviously do not know what the situation will be for the remainder of the school year and what the next announcement from the government will be, but rest assured we will be doing everything we can for all the children, and we hope to see them back enjoying school life as soon as is possible. We wish you an enjoyable half term and send our very best wishes to you and your families.

**Jan Blackwell, Chair of Governors**
