Governors' Awards Autumn Term 2020

Congratulations to all the children who were presented with their governor awards in the final assembly of the term. Charlotte and Caspar will be presented with their certificates next term.

Easter Parade 2021

We zoomed into each others' classrooms to give all the children the chance to show off their easter bonnets. And what a magnificent sight it was. Big thanks to the NSA for providing little eggs for all the children and big eggs for 'best hats in class'.

Have a wonderful holiday.

See you all on April 12th.

Take Care.

Stay Safe.

3M enjoyed their Christmas Party on the 25th. They were all in isolation back in December so missed out at the time. It was worth waiting for.

TERM DATES

The Blackwater Partnership is a group of schools co-ordinated from Thurstable Secondary School. It organises a huge calendar of sporting events for primary and secondaries. Inter-school sports is obviously not happening but the partnership has been creative, organising in-school and remote learning activities. Certificates were presented in assembly on the 17th to children who had demonstrated good team work, passion and determination. There was also a certificate for the school – children could take part in a walking challenge and collectively they walked 93 miles. With thanks to Mrs. Eves for co-ordinating all these activities.
