for years 3 and 4

Science

Year 3: Rocks Light

Year 4: Sound. States of matter

THEME WEEK: Science Week

History: Ancient Civilizations

Ancient Egypt

Children will look at timelines so they have
an idea of how long ago events took place.
They will also find Egypt on a simple map.

Children will use artefacts to find out about
life in Ancient Egypt and will research how
life for an ordinary citizen differed to an Egyptian ruler and the importance of the River Nile. Children will also research in detail the practises surrounding 'death and the after-life'. They will also learn about paper making and hieroglyphs

Ancient Egypt
