## North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit [www.northschoolcxy.com](http://www.northschoolcxy.com)

### OUT AND ABOUT WITH THE NURSERY

On Wednesday 1st of December the Nursery walked along North Station Road, over the river to find the newly located post box. The children had a great time, learning about the local environment. They talked and learnt how to cross the road safely, by pressing the button and looking for the green man to cross the road. They talked about all the different shops they passed on the way, looked at all the buses that passed and stopped to look over the bridge to see the ducks swimming on the river.

Once they got to the post box the children were handed their letters. They had already written their name on the envelope and learnt all about their front door and their address at Nursery the previous week. Most of the children were not tall enough to post their letter so they were lifted up so they could post their letters. The children are all now eagerly waiting for their letter to arrive at home!

With thanks to all the parents who helped to make this walk possible.

### KS1 Christmas Assembly

On Wednesday 8th KS1 enjoyed a visit from Father Mark and Lizzie from St Peters Church for a special Christmas assembly. Normally at this time of year we would visit the church for a family carol service but unfortunately due to covid we are unable to hold this service so the church came to us!

It was lovely to meet together as a key stage and the children were enthralled as Father Mark talked about the excitement and anticipation of waiting for Christmas and how it must have been the same for Mary and Joseph waiting for the birth of their baby.

Look out for a parentmail with an attachment sharing information about the special family services at St Peters Church leading up to Christmas.

It is always lovely to hear from former pupils. Above is a picture of Talha at his graduation ceremony to become a Doctor. Talha very kindly sent the staff a present to say thank you for the good foundation he was given at North.

## Christmas Lunch 2021

Decked out in their Christmas jumpers the children and staff had a wonderful day. It is a great organisational feat from the office to the kitchen to the midday team to cook and serve over 359 children and adults. The whole operation worked like clockwork. As is tradition, Amber, chair of the school council made a thank you speech— 'On behalf of the school I need to say, "thank you" to the kitchen staff for all your hard work preparing Christmas Dinner and for cleaning our trays. Thank you for always preparing our food for school dinners and school trips.' Hear, Hear. And thank you for your donations to EACH. The buckets will be rattled one last time on the 16th.

Whilst the school were looking forward to their Christmas Lunch the Nursery children were getting into the Christmas spirit & celebrating with their outside Nativity on Thursday 9th. It was so lovely to welcome parents into the garden to join in with the festivities. It was delightful.

## Christmas Parties

The NSA have very kindly agreed to give every class some pocket money to buy food and drink for their parties. Thank you NSA.
