A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit www.northschoolcxxv.com

“This accomplishment we will treasure for ever!”

The words of Sonny Spencer after the experience of taking part in the Colchester Rotary Club’s annual junior youth speaks public speaking competition. It was held in the council chamber in the Town Hall and whilst the judges deliberated over which team was the best the Mayor and Mayoress allowed the children to enjoy their refreshments in the Mayors’ Parlour and stand on the balcony overlooking the High Street.

Eight other schools took part speaking on topics as diverse as graffiti, girls’ football and plastic. The Year 6 Writers’ Group’s topic was gender discrimination. Lola was the Chair, Aimee the Speaker and Sonny the proposer. They were immense. A special mention to Riya, who was the team reserve. She had to learn all three parts in case of absence and she helped direct rehearsals - working on line memory and performance.

The team were delighted to come second. The Mayor said he was so impressed with the quality of the speeches. On the walk back to school the team stopped off for a well deserved ice cream.

Netball Team Have Had a Great Season

Following on from a successful Netball League, I took 8 children to the Netball Tournament run for all the local schools. There were 12 schools in total meaning we played 11 matches. It was an extremely hot day but the children coped really well with it. The team performed brilliantly achieving 4 wins, 3 draws and 4 loses. The teams that we lost to were the eventual overall winners and runners-up. I am really proud of the teamwork and work ethic they displayed both on and off the court. It was a great morning. I would like to take this opportunity to say a massive thank you to all the year 6 children that have played netball with me this year, it’s been truly amazing.
