## North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit [www.northschoolcxxv.com](http://www.northschoolcxxv.com)

## Community News

The Choir were delighted to accept an invitation to sing for the residents of Alderwoods Care Home on May 27th. They performed some of the songs from their O<sub>2</sub> Concert and then enjoyed cake and squash whilst having a good chat with the residents.

### Penny Race

The children in 3M hold the winners' shield from 2021.

For those of you new to the school, all you need to do please is send in your pennies, or loose change, and the children will make them into the longest line and the class with the longest line wins the shield. Simple. Give what you can, when you can - the children love watching the pennies fill the bottles in their classes before laying them out in long lines.

### Friday July 1st - It's all happening!

#### Hilly Fields

Mrs Eves will spend the day organising and encouraging the children on their sponsored run. [Reception children stay on site and run around the astro!] We will let you know what time the classes will be there so that you can watch and cheer them on.

Look out for the forms.

### Summer Fete

And we finish the day with the return of the

NSA summer fete, last seen in July 2019. What a way to finish the day!

The NSA committee were thrilled with the success of the Spring Fair and can't wait to have a fete once again.

As always, they can't do it without the support of the whole school community. See below for the ways that you can help before the day, during the day and the evening itself.

#### Licensed Bar

Do you run a shop/restaurant/pub? Can you donate drinks or get them at a discounted price?

There will be a **BBQ** but we would like to offer more choice

#### STREET FOOD

Do you run a street food stall or know somebody who does?

#### Traditional Children's Games

We need volunteers to help set these stalls up during the day and/or share the running of these stalls in the evening.

## SUMMER FETE 6.00PM

[nsa@north.essex.sch.uk](mailto:nsa@north.essex.sch.uk)

#### Stocks

What better way to spend the evening than by putting your head in a hole and letting your children throw soggy sponges at you or Mr. Garnett

#### Tombola

We will be asking for donations on a non-uniform day coming soon

#### Raffle

There were some amazing prizes for the Spring fair draw. We have some good ones already from parents and local businesses

Look out for the NSA in the playground after school - they will have clipboards - or email the NSA or reply via Facebook. Let us know how you can help - or any other members of your family [Grandparents love summer fetes!]
