North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit www.northschoolcxxv.com

WISH YOU WERE HERE

42 Year 6 children had a wonderful start to their final year in primary school. They were not blessed with the best weather but that did not stop them getting stuck in to the wide variety of activities that were on offer. Gaia said, "When I was there I was determined to make the most of every opportunity... and I did!" Nicoletta even made it to the top of the climbing wall during a downpour. Hope said she was proud to have conquered her fears by completing the abseiling challenge - "I felt very proud." Apart from all the activities, children have the experience of looking after themselves and sharing a chalet. Chalet 3 won best kept chalet of the week. Arthur said the food was great too. Shae has a tip for Year 5s who will be going next September - do sleepovers to get used to staying away from home and don't plan anything on the weekend you return - you will be catching up on your sleep. Shae slept in until midday on the Saturday!

The last word goes to Gaia who said the views over the sea and Portland Bill were amazing. Mrs. Walker will be holding a meeting for Year 5 and their parents after school on Tuesday 20th- following on from Meet the Teacher.

A huge thank you to all the staff and volunteers who made sure the children had a fabulous week.

This year the assembly theme is
**North Primary School:
 Our United Nation.**

The theme was introduced in assembly on the 13th.

The children were informed that through the year assemblies will focus on a country that our school community has a connection with.

It would be fabulous if you have information or resources to share.

The Reception children had their first early start on the 12th with all 60 children in school for the morning, lining up in the lower playground just like all the other classes. The children are settling quickly and the staff are getting to know them very well. They are looking forward to seeing the parents at the Meet The Teacher meetings on Thursday 15th and the Phonics meeting on Tuesday 20th.
