“ADORABLE!”

Reception and Year 2 Christmas Shows were magical

On Wednesday 30th November the Nursery children walked along North Station Road, over the river to find the post box. The children had a great time, learning about the local environment. They talked and learnt how to cross the road safely, by pressing the button and waiting for the Green man to cross the road. They talked about the different shops they passed on the way, looked at all the buses that passed and stopped to look over the bridge at the river flowing below them. Once they got to the post box they were handed their letters. They had already written their name in the envelope and learnt about their front door and their address at Nursery the previous week. Most children were not tall enough to post their letters although they all said 'yes and did their best,' to have a go! The children are all now eagerly waiting for their letter to arrive home! With thanks to all the parents who helped to make this walk possible.

Congratulations and thanks are in order to the NSA and their merry band of helpers for hosting a wonderful bazaar. The weeks of hard work leading up to the event paid off. There was a wonderful atmosphere and many parents and grandparents commented on how much they enjoyed attending their first ever Christmas bazaar. There was a great variety of stalls and activities; the prize system for the games was a success and there were lots of quality prizes in the grand draw. And Father Christmas had a great time too! The NSA will meet soon to confirm the money generated and to review the event before looking forward to the spring calendar of events. Drop them a line if you have any feedback.
