Governors' Awards

Autumn 2022

There was so much illness at the end of last term! This meant that many of our award winners missed the final assembly, as did many of their siblings and friends. So on Friday 6th, the assembly was reprised to enable the children to receive the acclaim they deserved. The Governors' Award winners are pictured above and the *Say, "YES!"* and *Do Your Best* award winners are pictured below. These children have been given a Smyth's gift card in recognition of their achievements. We are grateful to a friend of the school for donating the money for this award.

won this award.)

In the assembly as well as celebrating these children's achievements I was able to remind the children of some of the ways we helped our local community, namely the Foodbank, East Anglian Children's Hospice and a local Care Home - through the *Archie Project*. I also talked about channelling our inner Matilda's and stand up for fairness and truth. All this can be summed up in the following message:

Make A Difference

Speak up for Truth and Fairness

Aim high – don't put a limit on your achievements.

Just remember, there are no short cuts.

You need to work hard so...

Always Do Your Best

Governor's Corner What a Triumph!

How good have all the school productions been!! I am sure you will agree it has been fantastic to come into school and watch singing, dancing and performing from all the year groups, including the nursery, and wonderful to see parents grandparents and other relatives all having a great time enjoying the shows.

Our thanks go to all the staff who have made this possible and worked so hard with the children to ensure they all had their chance to shine, and to the children who rose to the occasion and did their best with some wonderful performances.

On behalf of all the governors, I would like to extend my very best wishes to you all for 2023

Jan Blackwell
