## North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit [www.northschoolcxxv.com](http://www.northschoolcxxv.com)

## NSA SPRING FAIR

The Spring Fair was a resounding success! There was a lovely buzz in the juniors with children engaged cheerfully in a range of craft activities. The local craft stallholders reported good trade. Miss Wicks was delighted with the response to THE BOOK GARDEN. Exchanging pre-loved books is such a brilliant idea. Miss Wicks and Mrs. Watson aim to run The Book Garden every Friday in the playground from now on. Look out for more details. The afternoon tea room was quieter than in previous years but those who had a cream tea said it was delicious. A heartfelt thank you and well done to the NSA, scone-maker Mrs. Shuter and the staff who all helped to make the fair a wonderful occasion.

## NATIONAL THINK AWARD WINNERS 2023

Mrs. Walker has quite a track record with the Vex Robotics competitions. Another year, another trip to the nationals. Two long days of programming and strategizing and collaborating with other school teams, and the team of Jessica, Emma, Harley and Freddie competed in the final knockouts and were presented with the prestigious Think Award. This award is presented to the team that developed and implemented quality robot programming as part of their strategy to solve the game challenge. The roboteers were rightly proud and thoroughly deserved this accolade. The team showed off their robot and put it through its paces in assembly on the 13th. Well done to them all. A huge well done to Mrs. Walker also, and many thanks to the parents who came along and supported the team.

**A Magical Fun Lunch at the Officers' Club. Thank you Rotarians.**

These super pupils have been recognised for their efforts and rewarded with a special *fun lunch* at the Officers' Club, courtesy of The Rotary Club. The children had a very nice two course lunch with waiter service making sure glasses were constantly topped up. Magic Ollie performed tricks at the tables and then put on a wonderful show at the end. Every child was given an Easter egg as they left.

Lexie spoke for all the children when she said the magic show was amazing and the lunch was lovely with a delicious dessert.

Michael said, "I liked the part in the magic show when Ollie was silly with Leo!" Lincoln and Charlotte also got to take part in his show - they loved it too.

The children looked fantastic in their 'Sunday best' and were great ambassadors for the school. The day was memorable for Jacob, judging from his mum's email - "We just wanted to say a big thank you for inviting Jacob to the lunch today. He had the best time and has been so enthusiastic in telling us all about it. It meant a lot to him so thank you so much." A huge thank you to the Rotary Club for the invitation.

**Dates for your Diary**

Tuesday 21st March	Y6 visit to The Castle
Tuesday 28th March	Y3/4 visit to Layer Marney
Friday 31st March	Last day of Spring Term EASTER BONNET PARADE
