June has been super-busy. Too busy to chronicle the events in Newline! With two weeks left to go, it is getting even busier. The events to which parents are invited are highlighted in green.

Annual Reports to Parents go home on Monday 10th July. Children meet their new teachers on Thursday 13th and Monday 17th July. Please come to the Open Evening - a chance to see your children's work, chat to the teacher, tour the school and meet the next teacher. This is always a lovely event.
