### ‘Best Friday EVER!’

(Harry and Poppy, Year 4).

On Thursday 14<sup>th</sup> and Friday 15<sup>th</sup> March, pupils in Year 3 and 4 participated in an immersive day of learning about Ancient Egypt. This amazing event concluded our learning this term about this significant period of World History.

The children came to school dressed as Ancient Egyptians and the hall was transformed into a hive of creativity, where the children completed a range of craft activities inspired by life in Ancient Egypt; from making their own ink and writing on papyrus in hieroglyphs and making their very own canopic jar to making their own amulets, the children learned so many new skills.

In the afternoon, there was a celebration and feast to welcome the pharaoh and his queen. The children had the task of entertaining the royal court. Some children participated in a dance inspired by the mighty River Nile whilst others acted out a play; either to tell the legend of the ‘Wax Crocodile’, or the drama of how Osiris became the god of the afterlife following his own remarkable journey.

Well done to all LKS2 children, it was so wonderful to see all of the children so engaged in their learning and making the most of this wonderful opportunity. A special thank you to all of the adults who kindly supported this event by giving their time to run one of the activities and make both of the days such a success. And a thank you to FREE FOR ALL for making these days possible.

## SPRING FAIR GREAT SUCCESS

The NSA committee and their merry band of helpers - parents and staff - were delighted. It was good to see their hard work rewarded. The Spring fair was super busy and there was so much for the children to enjoy, as you can see from the photos. There were also local arts and crafts traders selling their wares. The tea room was popular - many thanks to all the children and their families who donated delicious home made cakes. It was lovely to see children running stalls too - a nail bar raising money for FREE FOR ALL and two charity stalls in aid of SHELTER and MACMILLAN TRUST. It is good to see such enterprise. Well done to those Year 5 good citizens. The final "thank you" must go to the NSA. They are brilliant and make such a difference to our school.

## Countdown To The Easter Parade

Hats, bonnets, caps, berets, fascinators... there is no limit - whatever takes your fancy. The final assembly of the spring term is a fabulous event, beginning with all the children proudly showing off their Easter Bonnet creations on the catwalk. It is even better when the children have been involved in the design and making.
