North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit www.northschoolcxxv.com

What an experience for Neve and Kiki, winners of the North General Election. It was lovely to see parents make a fuss of them at the gate in the morning, Neve did an amazing job taking assembly. They had children visiting them during the day to share their good work. They even had the very important job of overseeing a fire drill. From bell to assembly point to confirming all children, staff and visitors were safe was completed in 3 minutes and 40 seconds. Remarkable.

They toured the school in the afternoon, checking on learning. They took the (very popular) decision to allow late registration for Year 6s on Monday 15th and then wished everybody a good weekend as they said goodbye at the gate.

Headteachers
for the Day

The Hustings

All the candidates spoke brilliantly and answered 'off the cuff' questions such as, "What makes you think you have the skills to do the job?" Amazing.

The Election

The Count

The votes were really close and there were two recounts with The Green Party winning just by 4 votes. All the candidates were gracious and generous in praise of each other. It was a great experience for them all.

What a Team! No not the England footballers, **THE NSA**.

The weather was not our friend but Team NSA still managed to hold a fabulous fete. As always, the atmosphere was lovely and for those who were brave enough to venture out in the torrential rain they were rewarded with a wonderful evening. There was so much to do and crafts to buy, plenty to eat and drink, the choir sang beautifully and there was a tremendous range of prizes in the grand draw. Every year we seem to get more sponsors and prize donors. Thanks to everybody who helped to make the fete such a success.

Music at North continues to flourish and thrive. Singing, listening and performing. On July 5th the Sweeting Swing Band - 10 person strong - played a free concert. The children and staff were swinging and rocking. It was amazing, Hopefully the band will be back next year. The Choir, still basking in the glory of singing on the High Street in front of the Twinkle Statue, entertained us all at the fete and they still have one more gig to go - on Thursday 18th - an end of year celebration for their parents.

What else? Lots more! Our Y4s showed off their skills with their guitars, flutes, saxophones, clarinets and violins. Finally we had a two day festival with 4 Y3, 4 Y5 and 4 Y6 bands performing. One Y3 band was joined by a slightly older musician (look closely at the photos). Congratulations to all our singers and musicians. And thanks to Mr. Bosch, Mrs. Heaton and to our peripatetic music teachers.
