North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit www.northschoolcxxv.com

PROUD WINNERS!

Michele-Christine, Chet and Michelle were pleasantly surprised when it was announced in assembly on May 24th that they were all winners of the St. Helena 500 word story writing competition. They were the only winners in the older age group. Entries were received from the schools that send children to St. Helena. They were each presented with a bagful of goodies. Every child who entered the competition received a certificate. Well done to all our budding authors.

“Overwhelmed!”

The children gave Mrs. Wood a wonderful send off on her final day on May 24th. In assembly children (pictured with Mrs Wood) presented her with gifts from the staff and governors.

She said, “Thank you all for making my last day so special. I have been overwhelmed by your reaction to my departure and your generous gifts.”

We have not seen the last of Mrs. Wood. She may no longer be a Learning Support Assistant with a special role in pupil feedback, but she has promised to come back as a volunteer and help out on trips and other special events.

Mrs. Wood, thank you for the contribution you have made to children’s learning at North.

Thanks NSA for a
