## NORTH'S GOT TALENT 2024

Congratulations to Satyaki, this year's winner of NGT. Anthony Roberts, our VIP judge, was blown away by all the finalists, praising all nine acts. He had the impossible job of picking a winner but Satyaki had demonstrated supreme talent in playing his ukulele and singing movingly, *We Shall Overcome*. It was a popular decision, as you can see from the photo of the audience waving their arms in celebration as he reprised his winning performance. Anthony had wonderful words to say for all the acts (see P2). As always Year 6 ran the show, with Courtney, Reegan and Holiness on video and visualiser work, James and Lauren on sound, and Kayleigh (pictured with Anthony) who did the most amazing job as compere. What a half term finale!.
