WEYMOUTH 2024

Here is a selection of photos to give you an idea of the amazing adventure many of our Year 6s experienced on the Dorset coast during the first week of term. The weather was foul but that did not put the children off. A huge “thank you” to Mrs. Walker, Mr. Armitage, Mr. Harris and Mrs. Roberts for making this residential journey possible. We have already string planning for September 2025— there will be a Year 5 parents meeting very soon. Parents of younger children—start saving now. It is the only trip for which we charge.

Meet The Teacher Meetings

We really hope you will be able to attend.

If possible, please leave your little ones with a friend or relative for half an hour.

These meetings are a great opportunity to find out about what the children will be learning, how the communication between home and school will work and how you can support your child's learning at home.

Parking in the lower playground via Victoria Chase will be possible for all the meetings except Reception – the whole playground is in use. Please note, if you park in the afternoon you will not be able to leave until all the children have left (about 3.25).
