Maths

Following White Rose programmes of study
for years 3 and 4

Science

Year 3: Animals and Humans

Year 4: States of matter

History: Ancient Civilizations

Ancient Egypt

Children will look at timelines so they have an idea of how long ago events took place. They will also find Egypt on a simple map.

Children will use artefacts to find out about life in Ancient Egypt and will research how life for an ordinary citizen differed to an Egyptian ruler and the importance of the River Nile. Children will also research in detail the practises surrounding 'death and the afterlife'. They will also learn about paper making and hieroglyphs

RE
