North Primary School and Nursery

A Town Centre School with a Strong Community Ethos

We Celebrated our 125th anniversary on 12th November 2019. Visit www.northschoolcxyv.com

NORTH SCHOOL ASSOCIATION SPRING FAIR

Congratulations to the NSA on another fabulous Spring Fair. There was so much to do and so much to buy. There was also the yummy Vanessa's Café.

This year the activities were spread across both halls which made it feel less crowded. As you can see from all the pictures, everybody had a great time. The Easter crowns will be perfect to wear to school for the Easter Parade on the 4th April.

Thanks to the NSA and all the staff (including Mr. Richards and the cleaning team who were very busy afterwards—the sand gets everywhere!) for all their hard work.

“Kindness Is Our Superpower”

On the 25th the school hosted a visit from a primary headteacher in Lancashire. Mrs. Leyland (pictured with Darcie) leads a lovely small village church school in Hapton. She wanted to see what a big city centre school was like. She loved it—she thought it a very happy school, with a fascinating history, set in super grounds. Darcie read her a beautiful speech extolling the virtues of our school and how we could connect with the community of Hapton. It was very moving. Mrs. Leyland had a brief meeting with Anielia, chair of the school council, to explore how this could happen. The school councils will link up soon.

ROTARY CLUB FUN LUNCH

On the 21st 15 lucky children had a treat! They had lunch at the Officers’ Club, courtesy of the Rotary Club. During lunch they were entertained at their tables by local magician, James. Once the meal was finished he put on a great show. The children all received an Easter egg as they left. The children were polite and well behaved and thanked the Rotarians for such a lovely treat.

On the 26th we said, “goodbye” to Mrs. Fuller, who has been one of our Social, Emotional and Mental Health Coordinators. Since her arrival in 2022, she has formed a great team with Mrs. Patrick, doing an excellent job supporting children and families, and teaching children emotional intelligence. She is leaving North to concentrate on her university studies. She was presented with leaving gifts in assembly. We wish her well with her degree and future career. She will be missed.
