NORTH'S GOT TALENT 2025

Well, what an amazing final that was! If we could have plugged the children's energy into the national grid we would have produced enough electricity to boil every kettle in the country.

The audience was incredible; the acts were fantastic. It was an occasion befitting judges of the greatest pedigree. And we were privileged to have local dignitaries Sally Shaw MBE, director of Firstsite and 'Lord' Anthony Roberts, the impresario of The Arts Centre.

They were royally entertained by magicians, musicians, dancers, singers, musical theatre, gymnasts and a pianist playing whilst standing on a balance board. Incredible.

The judges, faced with an impossible task, plumped for the Year 3 rappers, Arthur, Light and Jonas, performing Enemy by Imagine Dragons, should be crowned the winners NGT 25. A popular decision in the room.

Well done to everybody who took part in NGT this year. And a special "thank you" to the children who managed the whole event: Darcie, stage manager; Elias, cameraman; Michelle, sound, and master of ceremonies, Aniela. They were all brilliant.

PARENT SURVEY

The Governors will be sharing with you shortly the results of the parent survey. They were delighted with the number of respondents and have met to discuss the findings with Miss Jacobs, Mrs. Skinner and Mr. Garnett. The results were overwhelmingly positive with some insightful observations and suggestions for ways the school could do even better. Watch this space!

SUFFOLK SUNIRSE 2025

On behalf of Andrew Jarvis and myself, a massive “thank you” to everybody for your kind words and generous sponsorship. As predicted, Andrew cycled 100 miles, quicker than I completed my 60 miles. But that doesn’t matter. It was a great event, brilliantly organised and staged, giving hundreds of cyclists of all ages the opportunity to safely enjoy the beauty of the Suffolk countryside whilst raising money for great causes. The final total for **FREE FOR ALL is £2312.**

North Football Team finished their season with a league fixture at Lexden Primary. And it was a great game of football, enjoyed by all the spectators in the glorious May sunshine. The sides were evenly matched which made for a very exciting game. In the end, it was fine margins that made the difference with two excellent finishes which even our stellar goal-keeper, Micah, could not save. At this age, sport is about development, and every North player has improved immeasurably over the course of the season. A final word for their parents who made sure the players could all get to the games.

Class Trips

There are a number of these planned for the final half term. Teachers will be sharing the details in due course. All of them will be funded by Free For All,
