

Autumn 2025

NEWSLETTER

Welcome to a new year with the NSA

The NSA has two missions, to organise fun activities for the school community and to fundraise.

The NSA funds our truly unique charity, Free For All. Free for all pays for all school trips, swimming and music lessons for all children during their time at North.

Last year we raised over £15,000 for Free For All and we can only continue this success with your support.

If you have any fundraising ideas, or you'd like to take part in a race in aid of Free For All, we'd love to hear from you.

We have a wonderfully welcoming committee, if you would like to help with our events, (even if it's for an hour for a specific event), we'd love to hear from you. Please email nsa@north.essex.sch.uk to be looped in.
